VOLUNTEER EXPERIENCE

The Oregon Country Fair

(May 04, 2020 - June 05, 2021)

Web Development Crew Coordinator

Directed a 9-person team to produce an ephemeral three-day virtual live-streaming experience *Fair in the Clouds*, two years in a row. Our team built a fullstack React application that used AWS-hosted RTMP servers to stream live OBS broadcasts from teams in venues worldwide.

Videogame Developer's Club

(March 02, 2016 - August 07, 2016)

Founder & President

I founded this club to create a passionate multi-disciplinary team to strengthen our abilities (and career prospects) by creating videogames. I organized the club, scheduled our meetings, led guided discussion and lab-work on our team project, then joined the programming team writing C# scripts in Unity.
